

BLUE COOKIES

Ingredients:

1 box of blue velvet cake mix. You can also use other cake mix flavors to make red velvet, confetti, and other flavored cookies, but my kids love the blue velvet.

1/2 C of applesauce (I use cinnamon flavored applesauce, but natural applesauce is good, too)

1/3 C vegetable oil

Mix the ingredients together. Place small spoonfuls of the dough on a cookie sheet. Bake at 350° for 8-10 minutes.
